# **Personal Pronouns**

Teach Starter

**We must inform  
teachers to stop  
assigning homework  
to their students  
immediately.**

Teach Starter

**Together, we can  
make a difference  
to the lives of  
school children  
everywhere.**

Teach Starter

**It is up to all  
of us to save the  
childhoods of  
our children  
by banning  
homework.**

Teach Starter

**You can help by  
contacting your  
child's teacher and  
telling them how  
you feel about  
homework.**

Teach Starter

**I hope that you  
will support me in  
my quest to ban  
homework for  
children.**

Teach Starter

# **Rhetorical Questions**

Teach Starter

**Why cause stress and conflict within a family, just for the sake of homework ?**

Teach Starter

**Shouldn't students be relaxing after school, instead of doing even more study ?**

Teach Starter

**What is the point of homework if it has no educational benefits ?**

Teach Starter

**Why force teachers to spend their valuable time setting and marking homework ?**

Teach Starter

**How do you think it feels to complete the same, repetitive tasks night after night ?**

Teach Starter

# **Emotive Words**

Teach Starter

**Children do not  
deserve to be  
exposed to such a  
pointless and  
worthless activity  
as homework.**

Teach Starter

**Extra-curricular  
activities provide  
children with highly  
valuable skills and  
precious memories.**

Teach Starter

**Childhood is a time  
to be cherished,  
not wasted on  
activities that  
have no worth.**

Teach Starter

**Making teachers  
assign homework  
when it has no  
educational benefit  
is cruel.**

Teach Starter

**Many students feel  
that homework is  
unimportant and  
meaningless.**

Teach Starter

# **Exaggeration**

Teach Starter

**Teachers assign homework for no other reason than to make children's lives miserable.**

Teach Starter

**Because of homework, children have absolutely no time to do anything else after school.**

Teach Starter

**Homework is ruining the childhoods of innocent children all around the world.**

Teach Starter

**Homework is making the hardest job almost impossible for our teachers.**

Teach Starter

**Homework is the sole reason why children become bored with learning.**

Teach Starter

# Facts

TeachStarter

**Studies have proven that homework increases stress levels for children and their families.**

TeachStarter

**Homework reduces the time available for children to take part in other valuable activities.**

TeachStarter

**There is no evidence to suggest that homework improves children's learning.**

TeachStarter

**Homework increases the workload of our busy teachers.**

TeachStarter

**Most homework tasks do not inspire or interest students.**
